

# Recipe Fully Raw & Vegan Cranberry Sauce

## Ingredients

- 1 cup of fresh cranberries (red as possible)
- 1 cup of freshly pitted dates
- 1 honeycrisp or fuji apple, cored and quartered
- 1-2 cups freshly squeezed orange juice
- 1 sprig herb of choice like rosemary or basil
- 1 handful of dried raisins to sweeten, optional

## Directions

1. Add all ingredients to WildSide+ or FourSide jar in order listed and secure lid.
2. Blend on “Batters” or on a Medium speed for 30 seconds. If too chunky, Pulse until desired texture is reached.
3. Store in refrigerator overnight.
